PROFILE

Aspiring Python Full Stack Developer with a strong foundation in python and web development technologies, seeking a position in a growth-oriented company where I can use my skills to the advantage of the company while having the scope to develop my own skills.

SKILLS

- Proficient in writing clean, efficient **Python** code for web development.
- Skilled in developing full-stack web application using **Django**, including user authentication and **REST APIs**.
- Experienced in creating responsive websites with **HTML and CSS**.
- Worked with **SQLite** for database management and CRUD operation.
- Familiar with **MYSQL** for managing relational databases and writing queries.
- Basic knowledge of **JavaScript** for interactive web elements.
- Familiar with building front-end application using **React** components.
- Experience using **Bootstrap** for building responsive websites.
- Proficient in **version control** using **Git** and **GitHub**.

LANGUAGE

- English
- Malayalam
- Hindi

EXPERIENCE

INTERNSHIP

LUMINAR TECHNOLAB, KOCHI

2024 JAN – 2024 AUG

- I have completed a seven-month internship as a **Python Full Stack developer** at **Luminar Technolab** a software training institute in Kochi.
- During my internship, I learned how to develop web applications using **python, Django, React, and other web technologies**.
- I have also developed expertise in working with **databases (MySQL, SQLite)**.

PROJECTS

ROOM BOOKING APP:

- Developed a **room booking platform** using **Python** and **Django**.
- Implemented key features including booking confirmations, room catalogues, user authentication, and payment gateways.
- Designed a user-friendly interface to ensure seamless booking experiences.
- Optimized the platform for performance and scalability to handle growth efficiently.
- Utilized a range of technologies: **Django, Python, SQLite3, HTML, CSS, Bootstrap**, and **JavaScript**.
